

Aanii fellow Band Members of Atikamiksheng, my name is Lorrie Young, and I am pleased and proud that I was nominated for one of the available seats for Resident Trustee. I would like to announce that I will and am very pleased to accept this nomination. I do believe that I would make a great trustee as I have the dedication and time that this position requires. I am a mother of three and a Nookimis of seven beautiful grandchildren.

I believe that I have demonstrated my commitment to our community by my volunteer work within Atikamiksheng this past year. I have worked alongside our Family Support Worker for the past six months and have learned so much about giving back to our community. From helping with the Round Dance to organizing Anishinaabemowin bingo has all been a learning experience for me in connecting with our members.

I am a recent graduate of Cambrian College (2018) from the Social Service Worker Program and was also elected to be the Aboriginal Student Life Coordinator. I also completed a year of the Community Justice Program. I completed both my school placement here in the community, one with Niigaaniin and the other with the Health Department. I have just recently completed a work placement with the Band Office in the Social Service Department.

I am passionate about giving back to the community and our people and I believe with Education we can all reach and accomplish our goals. Like being elected to Student Council and having the students trust and support, I am also requesting your support in the upcoming election for Trustee. You will not only help me reach my goal.....but also be a part of my journey.

In friendship

Lorrie Young
