

Hello,

My name is Claudette Shawbonquit. I am running for the position of On Reserve Trustee. I will adhere to the policies and procedures that are put before me, and I will utilize the knowledge I have gained through my many years of work experience at Casino Rama. I am a recent graduate from CTS Canadian Career College with a diploma from the Business Management Program and currently employed at ClaimSecure. I will be fair for the members of Atikameksheng Anishnawbek. I am a confident, honest, and outgoing person. I get along very well with other individuals.

Should I be the successful candidate, I will work hard for every member of Atikameksheng Anishnawbek. I welcome the challenge that this may bring to me, and I will learn and be a better individual because of it.

In short, I call out to the voters. A vote for me, is a vote for something new.
